

Burns Lake **FireSmart**

**Attention: Hill and Carroll street
Residents and all public participants**
The Burns Lake FireSmart program wants to
invite you to join us on May 11, 2019 at
10:00am for our 3rd annual Wildfire
Preparedness Day event.

We will be having a BBQ and Firesmarting
the grass easement at the top of Hill and
Carroll street. We are looking to involve the
local neighbourhood to join in on this
activity. If you want to help Firesmart your
community and learn how to Firesmart your
own property come on by and give a hand.

If you have any concerns or questions about this event please
contact the Village office or Jesse Bird at 778-833-4121,
Burnslake.firesmart@gmail.com. Check us out on facebook @
