## **Title: Village Letter of Support Policy**

### **Purpose:**

To respond consistently to individuals, groups, or organizations who make a request for letters of support from the Village of Burns Lake.

### **Policy:**

The Village of Burns Lake, from time to time, receives requests from individuals, groups, or organizations seeking Village Council support for their endeavors. Those seeking a letter of support from The Village will be required to complete a 'Request for Letter of Support Form' in order to provide The Village with the information necessary to consider the request. Village staff will acknowledge the request and forward it the Mayor and CAO for consideration upon receipt. If the request falls under the following criteria and does not conflict with other Village policies or initiatives, a letter of support will likely be provided:

Criteria to be met by applicant:

1. The request is from a local non-profit and/or recognized community organization;
2. The project is of direct general benefit to the overall community;
3. There is no cost to the Village related to the specific request;
4. A 'Request for Letter of Support Form' has been completed and submitted to the Village Office.

### **Procedure:**

1. A completed 'Request for Letter of Support Form' must be received at least two weeks before the due date for the granting deadline to ensure that the letter can be written in time to be submitted with the application.
2. The Mayor and CAO, or designate, will consider the requested letter of support to ensure that the application fits within the best interest of the residents of the Village of Burns Lake, and that the application is not in competition with any current Village of Burns Lake grant application.
3. A letter will be provided to the applicant within one week of the application being received.
